## A BRIEF HISTORY

West Auckland Men's Probus Club was formed in 1985. Rotary sponsorship was required to register a Probus Club, and was duly obtained.

The Club is now affiliated with Rebus NZ Inc. This change was made to save money on affiliation fees.

The club exists to provide "seniors" with the enjoyment resulting from the fellowship and conviviality of new friends.

Most members of New Lynn Men's Probus Club, which operated from 1991 to 2020, have transferred to West Auckland Men's Rebus Club.
